Animeiddio / Animation

The image displays a user interface for an animation software, primarily in Welsh. At the top, a navigation bar includes buttons for 'ysgrifennu' (writing), 'paent' (paint), 'crwban' (cut), 'siart' (shape), 'pictogram', 'animeiddio' (animation), 'cangen' (branch), and 'cyfuno' (combine). The main workspace is a pink background with a central animation stage. The stage shows a scene with a blue sky, white clouds, a yellow sun, green hills, and a blue sea. A brown crab is positioned on a yellow sandy beach. Below the stage is a timeline with several frames, each containing a small crab icon. A play button is visible on the left of the timeline. To the left of the stage, there is a toolbar with various icons, including a drawing tool, a 'Tanddwr' (eraser) tool, and a color palette. The text 'animeiddio' is displayed in a search bar at the top of the stage. The overall design is colorful and child-friendly.
